Dear Sharon,

Thank you for your in-kind donation of forty blankets to Child Advocates of Silicon Valley, which you have valued at \$2,000.00.

As you know, Child Advocates of Silicon Valley recruits, trains and supports volunteer Court Appointed Special Advocates (CASAs) to work one-on-one with children in the foster care system. The CASA attends to the child's critical educational and emotional needs and ensures that their voice is heard as they navigate the Santa Clara County dependency court system.

Life for children placed in foster is filled with many uncertainties and disappointments. Your contribution will help Child Advocates provide a CASA who, as part of the child's team, can provide the consistency and dependability that all children need to thrive.

Thank you for supporting our community, for ensuring that every foster child has the opportunity to become a healthy, independent adult.

Best Regards,

Karen Scussel  
 Executive Director

P.S.: Please visit our website, [www.BeMyAdvocate.org](http://www.BeMyAdvocate.org) for updates and stories showing how your donation is making a difference in the lives of foster children.

In adherence to current IRS regulations, we confirm that you received no goods or services in exchange for this gift.
